"Ride With Discretion"

Fall 2016

President's Message...

Brothers this year's Conference and Annual Meeting in Harrison Arkansas was a good time had by all who attended. I would like to thank Chapters 8 and 24 for a well-planned event.

I am looking forward to seeing you all and hopefully some new faces next year in Siren, Wisconsin. Chapter 24 is planning some very interesting trips.

Please do not forget next year is election year: If you are interested in stepping up and holding an office please let Don Crete know so you can be added to the Ballot. New blood is essential, as new ideas will only help the Club to grow.

I am very proud and fortunate to be part of such a fantastic group of Masons and their Families. Remember to always ride safe there are way too many distracted drivers out there.

Remember, always Ride with Discretion
Fraternally Yours-Dean Gonya

Vice President's Message...

Brothers and ladies

I was holding my breath for a couple days after the conference, waiting for the word that everyone made it home safe. I am happy to report everyone was safe and sound.

Another great conference for the record books. Gordy, Ron, and their better halves Marie and Shelia as well as the rest of the 2016 conference committee did an outstanding job.

Working thru the local visitor's bureau, for a remote conference worked. This opens up destinations for our conferences to locations where we do not have local chapters.

I had never been riding in that part of the country before, but I was able to cross off my bucket list "riding thru the Ozarks ". Thanks guys and gals for that.

There were a couple issues brought up by Past President Ken White. I am sure there were others, but the ones that stuck to me were:

- 1) Open up the dates from the first two weeks of August to maybe June 1st thru maybe September 30th.
- 2) Make it easier to bring guests (potential new members) and family members.
- 3) Ease up on the registration to open the banquet up for dinner guests.

These and other topics will be discussed at our quarterly meeting. If you cannot be there in person, and have some thoughts on these or any other topics, call, e-mail, or text me and I will discuss them with you.

We have a destination for the 2017 and the 2018 conferences. I would like to entertain any and all offers for conferences in the future. Remember, this is your club. If you would like us to ride over roads you like, or over roads where you have been or would like to go, call me and we will see if we can make a conference in your favorite place happen.

I would like to take this opportunity to again Thank the 2016 conference committee for a job well done. It was good to see so many old friends and to meet some new ones.

RIDE WITH DESECRATION,
Gary Lippert VP

Executive Board Meeting August 4th, 2016 – Quality Inn, Harrison, AK

President Dean Gonya called the meeting to order at 10:05 AM EST. All International Officers were present in person with the exception of Lifetime Trustees Dick Morse and Rich Kovac. Chapters attending were: 1, 3, 6, 7, 8, 12, 14, 15, 24, 25, 32, and 54. After the opening prayer and pledge to the flag a motion to approve the minutes of the Annual Meeting, as published, was moved and approved.

Officers Reports:

- President – He thanked Ron, Shelia, Gordy, and Marie for their work on the conference. We need new blood on the Board and reminds all members that next year is elections, if interested in running for office please contact Don Crete.
- Vice President – Gary thanked Gordy and Ron for the good job on the conference, especially considering it was long distance to set up. 2017 and 2018 we have conferences for, but we need someone to provide proposals for 2019 and beyond. Gary reports that Connie has assisted him with revising the Conference Guide; as the old versions were beat-up, out of date, and mostly misplaced.
- Treasurer – The Club is financially solvent. The Treasurer will be renewing the Club's Not-for-Profit registration with the State of Ohio by October 31st.
- Secretary - There have been no new Chapter requests since last convention, and only three (3) new Chapter 8 members. Chapters who have reported in overall show a gain of 12 new members, with a loss of 45 members, most significantly in Chapter 32 as they report having lost 14 of 22 members. At of the time of this report the Club is also showing 91 members who have not paid their 2016 dues.
- Trustees:
 - Ron – nothing to report
 - Ken White – The Club needs something to hang our hat on – and his thoughts are that we should promote Family. While change for the sake of change is not necessarily good he would like to suggest some changes be considered:
 - Article 1 – change the bylaws to permit the Conference to occur between June 1st and August 30th.
 - Support annual conferences as a fundraiser for wounded, homeless, or disabled Veterans or some other worthwhile family oriented cause.
 - Due to the solvency of the Club consider the Board adding to the charitable donation derived from the conference registration fees. Possibly \$500 per year.
 - Randy Headdings – Nothing at this time
 - Jeff Killian – expressed his appreciation for the hard work of the Conference Committee

Committee Reports:

- Audit: Conrad Jackson (Chair), Viggo Warmboe, John VanKirk – the books are all in order.
